**Individuals currently working in, or wishing to gain employment
as a Barista in the Hospitality Industry.**

This course is delivered face to face

Professional Barista Course for the Hospitality Industry

This face to face program will focus on the following nationally accredited units of competency:

- SITHFAB005 – Prepare and Serve Espresso Coffee
- SITXFSA001 - Use hygienic practices for food safety.

On completion of the program, learners will gain an accredited Statement of Attainment.

Not only will this program increase the skills needed to find employment as a Barista, it will provide the learner with a better understanding and awareness of the health and safety concerns surrounding the provision of food services to the public.

Audio visual presentations will focus on the skills needed to safely produce high quality espresso coffee beverage and include practical experience and information on:

- Learning to make superior espresso coffee using commercial espresso machines and grinders
- Acquire the skill needed to advise customers on coffee choices
- Become an expert at selecting and grinding just the right coffee beans
- Prepare the perfect espresso coffees including:
 - caffe latte
 - cappuccino
 - espresso (short black)
 - flat white
 - long black
 - piccolo latte
 - mocha
 - ristretto
 - short and long macchiato
- Gain the secrets of milk texturing and blending
- Understand the importance of maintaining and cleaning espresso machines and grinders
